Authorisation -

(1) I/We warrant that I/We hold title to the material being copied or transferred, and I/We hereby indemnify DataRecovery.net.au from any claim or breach of copyright or ownership rights, and from any other claim whatsoever that may arise from DataRecovery.net.au copying or transferring the information and/or data by me/us:

(2) I/We acknowledge that DataRecovery.net.au is not liable for the loss of any information or data, for whatever reason, which may occur in the execution or attempted execution of the requested job, I acknowledge and authorise the opening of any relevant media and that doing so may void any warranty in relation to that media, and further, that any physical damage occasioned by any cause whatsoever to electronic or other media, including computer diskettes and tapes, left by me/us at DataRecovery.net.au premises, will not create any liability upon DataRecovery.net.au:

(3) I/We herby expressly admit and acknowledge that the fields of computer data recovery, data conversion, duplication and scanning are of great complexity, and accept that DataRecovery.net.au, whilst accepting the job in good faith might well encounter subsequent difficulties in its execution not appreciated at the time of acceptance, and I/We herby absolve DataRecovery.net.au of any claims of liability arising out of any inability to perform the job up to original expectations or representations, or at all, or out of any delays which may arise in its execution, I authorise DataRecovery.net.au to utilise whatever means available including the use of third parties, at their sole discretion, for completion of the requested process;

(4) I/We hereby acknowledge that All Data Recovery work is on a strictly Payment before commencement of retrieval and acknowledge Goods are not available for collection until full payment has been made and cheques etc... cleared

(5) I/We agree not to hold DataRecovery.net.au or any of its officers, employees, agents contractors or related entities liable for any loss or damage to any article left with or on behalf of DataRecovery.net.au; and

(6) I/We acknowledge that any articles left with or on behalf of DataRecovery.net.au will be returned in accordance with your instructions in this Form. You therefore agree that, providing DataRecovery.net.au follows the instructions in this Form, you will not hold DataRecovery.net.au or any of its officers, employees, agents contractors or related entities liable for any loss or damage that occurs, either to you or any third party, as a result of any article being delivered to any unauthorized person.
